The background of the slide features several thin, curved lines in shades of gray, some solid and some dashed, creating a sense of motion or a stylized globe. A large green speech bubble is positioned on the left side, containing the text 'What we're covering...'.

What we're covering...

- Information source types
- Finding sources in different subject areas
- Citing sources
- How to get research help

The background of the slide features several thin, curved lines in shades of gray, some solid and some dashed, creating a sense of motion or a stylized globe. A large green speech bubble is positioned on the left side, containing the main title.

Information source types to consider

- Academic articles
- Trade journals
- Industry standards
- Business research
- Materials property data
- Government data

The background of the slide features several thin, curved lines in shades of gray, some solid and some dashed, creating a sense of motion or a stylized globe. A large green speech bubble is positioned on the left side, containing the main title.

Finding sources in different subject areas

- **Library databases**
- **Government agencies**
- **Google (maybe!)**
- **Libguides:**
guides.temple.edu

Citation resources

- How, when, where to cite
- Avoiding plagiarism
- Citation management tools

guides.temple.edu/citingsources

How to get help
