

Directions to the Sonja Kovalevsky

Friday, April 4th, 2009, 10:00am

Cabell Hall 323-324

Please refer to the map attached to the email. Park in the Central Grounds Parking Garage which is building #8 and it is located directly along Emmet Street beside Memorial Gym, building #28. The Sonja Kovalevsky Mathematics Day takes place in Cabell Hall, building #35 on the map.

Coming from the hospital - Follow JPA, continuing onto Emmet St. You will pass Kerchof Hall (on a higher elevation on your right,) you will want to get into the left lane. As soon as you go under the overpass, you will turn left on the ramp that leads to McCormick Rd. At the Yield sign, turn left onto McCormick and, at the end of the bridge, turn right on to Cabell Dr. Follow the road until it turns right sharply. You will be in front of Bryan Hall (building #7 on the map) and on the side of Cabell Hall (building #35 on the map).

Coming from the Barracks Road Shopping Center - Follow Emmet St. past Mem. Gymnasium (building #28, on your left) and Ruffner Hall ((building #44, on your right.) Directly past Ruffner Hall, take a right on the ramp leading to McCormick Rd. At the Yield sign, turn left onto McCormick and, at the end of the bridge, turn right on to Cabell Dr. Follow the road until it turns right sharply. You will be in front of Bryan Hall (building #7 on the map) and on the side of Cabell Hall (building #35 on the map)..

Our counselors will be in the parking lot in front of the Bryan Hall (building #7 on the map) and on the side of Cabell Hall (building #35) to greet the girls. You should arrive with your child between 9:50 a.m. and 10:00 a.m. and pick her up between 3:30pm and 3:45 p.m.

Materials to bring: Your child should bring to class a folder, paper, pencils, eraser, and a calculator with a square root function.

Call the phone number # 434-825-2940 in case you need to communicate with your child during the duration of the program.
